

Our Accessible Carousel rotates around a central axis. With much more support compared to a traditional carousel and with the space for one wheelchair as well as 3 other users, it offers a sense of challenge and risk-taking and will appeal to older or more confident children. It encourages social play, teamwork and cooperation to spin on the carousel.

SPECIFICATIONS

| |
|---|
| Product Code: FS159,160 |
| Age Range: All Ages |
| Max Fall Height: 1000mm |
| Minimum Fall Zone: 28.4m ² |
| Equipment Size: 2010mm Diameter |
| Max Equipment Height: 805mm |
